

**NON-TRADITIONAL CREDIT**

**Office of the Registrar - (541) 881-5804**

The College encourages flexibility, innovation, and independent study in the educational process. Nontraditional credit programs allow students to earn credit outside the classroom setting. Nontraditional credits include Advanced Placement Program (AP), College Level Examination Program (CLEP) and credit for prior learning (CPL, such as military or government training). Check with an advisor or the Registrar in Student Services Center for additional information.
