*Differences in Dates Between BSN Calendar and TVCC Standard Academic Calendar

- **Refund Deadline**
 - One day later than TVCC's refund deadline each term
- **Deadline to Withdraw with "W" Grade**
 - One day earlier than TVCC's deadline each term
- **Final Exams**
 - Start the same day as TVCC's each term, but extend one extra day (Saturday)
- **End of Term**
 - One day after TVCC's each term (Saturday, to account for finals extending to Saturday)
- **Summer Term Exceptions**
 - **Summer BSN courses run 10 weeks, whereas TVCC's standard Summer term only runs 8 weeks. This means that the following BSN dates occur some time later:
 - Deadline to withdraw with a "W" grade is one week later than TVCC's regular summer withdrawal deadline.
 - End date for the term and finals is 15 days after the end date of TVCC's regular summer term.
 - Summer term final grades for BSN students will be available no later than two weeks after the conclusion of TVCC's regular summer term.
