ADULT BASIC SKILLS/GED PREP

Oregon Trail Building - (541) 881-5862

This program provides classes for adults with a variety of goals. Students may wish to improve reading, improve employment opportunities, learn basic computer skills, prepare for entrance into academic and/or professional technical programs, or pursue personal growth by upgrading their basic skills.

Adults who have not received a high school diploma may enroll in the General Education Development (GED) program. This program is designed to prepare students to pass the GED test, which is composed of four subject areas: language arts, mathematics, science, and social studies. Students must be at least 16 years of age to enroll in the program, and students under the age of 18 need special permission from their parents and/or educational facilities.

Students working on their GED on the Ontario campus are assigned to cohorts or other class schedules based on needs and skill levels.

English for Speakers of Other Languages (ESOL)

This program assists adults whose primary spoken language is not English to acquire skills in reading, writing, and speaking English. In order to meet the work and family schedules of ESOL students, classes are offered in the evenings. Classes are offered for beginning, intermediate, and advanced levels. Students typically attend four, two-hours classes per week (Monday-Thursday) during TVCC's fall, winter, and/or spring quarters, though this schedule may vary slightly.
